

## HARMONY ANIMATOR

Pipeline is looking for skilled and passionate Harmony Animators to join its growing team.

Pipeline is an industry leader and creates some of the most innovative projects currently on the market, delivering over 2000 minutes of high quality content per year; credited to our solid reputation in the global industry. Pipeline's world class creative and technical talent join us from studios such as Pixar, ILM, WB, and Disney to name a few.

Pipeline has produced some of the most exciting CG, 2D and custom hybrid digital productions coming out of Canada in the last several years. Along with developing our own IP for global distribution, our current clients include: NBC/Universal, Disney XD, Discovery Nickelodeon and Nelvana. The iconic Pipeline is considered a specialty wave meant only for the most skilled. It's epic and totally perfect. Only world-class surfers find it and ride it. Come surf with the best, at Pipeline Studios.
